# THIS WEEK'S MESSAGE

"When a man has had a great deal given him, a great deal will be demanded of him." It would be a mistake to think that only the rich have been given much. There are so many ways in which God our Father blesses us. Perhaps I have quite a lot of leisure, perhaps I am knowledgeable in some particular field, perhaps I am good at music, sport, or DIY; perhaps I am young and strong or old and wise – we all have talents at our disposal. Jesus cautions us that we must use what has been entrusted to us wisely and selflessly, for the good of all and to the glory of God. With every gift comes a responsibility - and the reward for responsible use of what we have received is God's favour and an increase of his gifts to us. Let's thank God for all we have and all we are and really try to make the very best of both.

**Father David Savoury**
